

A modern interior scene featuring a black metal staircase with a minimalist design. In the foreground, a round, brushed brass coffee table holds a dark, textured vase filled with dried, brown flowers. To the left, a chair with a black and white vertically striped seat and backrest sits on a light-colored circular rug. A tall, black floor lamp with a white, pleated shade stands nearby. The background wall is a light, textured grey. On the right, a portion of a sofa with a brown blanket and a patterned pillow is visible. The text "house doctor" is overlaid on the right side of the image.
