Our story

In 2025, we proudly celebrate our 10-year anniversary of everyday moments with soul, creativity and love. Our journey began in 2015 with the launch of the care series Cotton Haze, featuring our very first and exclusively developed scent. Today, our mission remains the same: to create products that speak to all senses through a well-balanced combination of unique fragrances, high-quality ingredients, and timeless design.

COTTON HAZE

NOTES

Top: fresh, harsh
Heart: light citrus
Base: herbaceous

When Meraki was founded in 2015, we introduced our very first care series, Cotton Haze, and to celebrate our 10-year anniversary, we are relaunching this beloved series. While the fresh scent with notes of citrus and herbs is true to the original formulation, the products are now certified organic. The refined dark green design, paired with its timeless fragrance, has made Cotton Haze a customer favourite for good reason, and now it is back – better than ever.

MEADOW BLISS

NOTES

Top: lemon, citronella

Heart: verbena, mint

Base: tea, violets

The Meadow Bliss series is certified organic and pampers the skin with a luxurious blend of natural ingredients, including aloe vera, avocado oil, acerola berry, cocoa butter, and soothing oat extract. The moisturising and nourishing products soften the skin while leaving a delicate fragrance with notes of bitter citrus, wood, verbena and tea.

HARVEST MOON

NOTES

Rosemary

The Harvest Moon series includes versatile products that cover multiple needs. Certified organic and enriched with nourishing ingredients, such as olive oil, aloe vera, and cactus extracts, Harvest Moon combines functionality with well-being, wrapped in a delightful scent of rosemary. The perfect choice for a simple yet effective care routine.

Discover our home fragrances

Welcome to a world where fragrances and aesthetics transform spaces, evoke emotions, and enhance everyday moments.

The design of our home fragrance series is thoughtfully chosen to reflect their scents, notes, and ingredients.

Our white home fragrance series infuse spaces with a light, airy atmosphere. Delicate floral notes and crisp citrus create a refreshing ambience, perfect for brightening any room.

Blending calming botanicals with earthy depths, our green home fragrance series offer tranquility and grounding. The fragrances bring a sense of calm, ideal for spaces dedicated to well-being.

For those seeking richness, depth, and warmth, our brown home fragrance series wrap the senses in luxurious, layered aromas, evoking a refined yet inviting atmosphere.
